About me

QA Engineer with 3+ years in manual and automation testing for web and mobile. Proficient in Playwright (JS/TS), API testing (Postman, Swagger), SQL, and CI/CD integration. Known for building stable automation frameworks, delivering precise defect reports, and ensuring smooth, on-time releases.

Skills

- **Automation:** Playwright (JS/TS), POM, API login, request interception, trace/video debugging
- **API & E2E Testing:** REST, JWT auth, schema & contract validation, negative paths
- **Manual QA:** Regression, smoke, exploratory, cross-browser/device validation
- **CI/CD & Reporting:** GitHub Actions, Allure/HTML reports, tagging, parallel execution
- **Debugging:** Network/console logs, HAR capture, Playwright Trace Viewer
- **Data Verification:** SQL joins, seed data strategies
- **Tools:** Zephyr, Jira, Postman, Swagger/OpenAPI
- **Languages:** English (C1), Spanish (B1), German (A2), Croatian (Native)

Experience

Dot Divide – QA Automation Engineer | 2025 – Present

- Built Playwright E2E & API automation using modular POM and API-driven flows.
- Reduced flakiness, optimized selectors, integrated suites into CI for reliable execution

PlayBall – QA Manual & Automation Engineer | 2023 – 2024

- Led mobile app testing (auth, statistics, ratings) with Zephyr regression & smoke suites.
- Introduced Playwright automation, API-driven login, stabilized selectors.

Delek Homes – QA Manual Engineer | 2022 – 2023

- Performed full-cycle web testing for real-estate platform.
- Maintained Zephyr suites, ran weekly regressions, ensured stable form validations.

Projects

- **Playwright Automation Framework** – Modular POM, deterministic waits, CI integration.
- **API Contract Testing** – Postman collections, Swagger/OpenAPI validations.
- **Manual QA Suites** – Regression & exploratory tests for key user journeys.
